

Florence City Center Bike Tour

A unique way to visit the Tuscan capital!

YOUR PRIVATE ITALY

Today you join us for a panoramic bike tour through the panoramic city center of Florence on an orientation tour you will never forget. A private guide and your own two wheels, the best way to discover the Tuscan capital and its many hidden treasures

Start right at your hotel doorstep or from a meeting point in the city center for a multi-hour ride through the house Michelangelo built. Discover Florence's authentic soul as we roam the maze of its quaint cobblestone alleys and small piazzas. Santa Maria del Fiore, the Uffizi Museum, Ponte Vecchio, Palazzo Pitti and so much more, all there at your fingertips as we ride and uncover the city's most amazing landmarks and monuments.

Join a small group and embark with enthusiastic, fellow riders or opt for a private tour, as we create the perfect route so you can take in the day at your own pace and style.

Each guest rides their own bike while your personal guide leads the way. A leisurely ride with brief pauses at pre-arranged stops to see some of the city's most interesting cultural and architectural attractions. Who knows....we may also throw in a surprise at one of Florence's best gelato shops! But regardless of your itinerary, this is a great way to see one of Italy's most amazing cities and a marvelous experience for families with children.

The PERFECT introduction to the city!
